City of Las Vegas
Honorable City Councilman
and Pro Team Mayor
Mr. Gary Reese

Dear Mr. Reese:

This letter is an unsolicited recommendation for Mr. and Mrs. George Adams. I have known George and his wife for over 15 years. George is an honest and trustworthy man. He and his wife would be a valuable asset to any community and I have no hesitation of recommending him to obtain a license to operate a Card Reading business.

George's wife has been a card reader in Fresno, California, for over 13 years. They have a professional business and are well respected within the community. They also live and operate their business adjacent to a 235 acre multi million dollar mixed use development that I oversaw in Fresno. They were all times diligent on what we proposed, attended numerous City Council and Planning Commission meetings and offered valuable insight.

Often this type of business receives negative publicity. At no time that they have operated their business has there ever been any question of impropriety. I believe that they would maintain the same level of professionalism and ethics in Las Vegas that they maintained in Fresno, Ca. In summary, they would be a positive influence within your community.

Please feel free to call me with any questions or need additional references.

Respectfully,

The Mehmet Noyan Company

RE: ATTENTION:
Gary Reese, City Councilman and Pro Team Mayor

This letter is intended to serve as a recommendation for George Adams. I have been acquainted with George for ten years. We met during my seat at the city council in Fresno, California. I was City Councilman and Pro Team Mayor from 1997-2001. I have come to know George Adams and his wife very well and have found them both to be trustworthy people. His wife engages in the business of palm and tarot reading and her location is in Fresno, California. They have been at this location since 1994. I respect both Mr. and Mrs. Adams, and have never had any ill concern in their personal or professional aspects of their lives or in their respect within the community.

If you have any questions or concerns, please give me a call at (559) 438-9999.
You can reach me Monday thru Friday, 8:30 AM to 5:30 PM.

Sincerely,

Chris Mathys

TO WHOM IT MAY CONCERN

As Concessions Manager of the Big Fresno Fair, I am pleased to write a reference letter on behalf of Helen & George Adams, dba Mrs. Bishop, who has been a commercial Exhibitor as a palm reader with the Big Fresno Fair over twenty years.

Over the years, Helen & George Adams have been very professional and cooperative in performing services as a commercial exhibitor and have been very cooperative, works well with staff and fellow vendors, and pays their guarantee on time. We have not had any customer complaints regarding their business and every year, all their contract obligations were met. I feel that their business is an asset to the Big Fresno Fair and happy to have them return each year.

Respectfully,

Dolly Brantley
